

In order to safeguard and care for your child we would like you to let us know which adults, other than yourselves, are permitted to collect them from school. We will only release care of your child to the adults listed and approved by yourself. In an emergency, please notify us by telephone on 01423 322208, if an additional adult will take your child home. Please also inform us verbally if your child is going home to a friend's for tea and will be collected by another parent.

Name of Child.....

Class: Mrs Scott's Nursery Class
