

YEAR 1'S WEEKLY UPDATE 10/09/2021

Welcome to Year 1

Year 1 Important Dates:

Wednesday 15th

September

Fire Safety Assembly

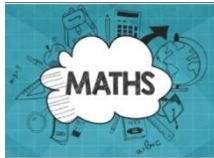

Friday 17th September

Y1 Local Area Walk

PE

Tuesday & Thursday

Please have PE kits in school all week.

We have been getting back into routine and practising our counting 1- 30 in Maths. We love being active as we count and use a Jack Hartman video if you would like to give it a go at home! I have included the link to the video in the email.

There is no homework this week whilst we all settle back into school. Homework will begin next week. Every **Friday** there will be a homework task in their homework book to complete which needs to be completed and returned to school every **Tuesday**.

The spellings for each week this half term will also be sent out next week. I will be including these spellings in lessons to check the children's knowledge.

Reading

Reading diaries will be going home next week. When you hear your child read, please sign your child's reading diary. We will be starting a new online library where your child will be assigned a book they have read at school each week. Please continue to read books at home and from the library as often as possible to support your child's learning at home.

We would like to welcome 2 new additions to our class. Bella and Sebastian have joined our school.

Information

Please can you ensure that your child's classroom bottle is filled with water and not juice as outlined in the school's policy.

You will have received an email with the acceptable use policy that needs to be signed and returned. You can send a paper copy in or reply via email.

It has been lovely to get to know you all this week. Thank you for making me feel welcome.

Have a great weekend. Miss Rowe

Achievements

Star/s of the Week:

Congratulations to **Lillie – Mai** who has shown incredible perseverance and a positive attitude in phonics lessons.

Congratulations to **Logan** for his amazing writing recalling the events of a story.
