

# YEAR 1'S WEEKLY UPDATE 17/09/2021

**English:** This week we have begun looking at the book, 'The Naughty Bus'. We have been making predictions about where we think the bus would work and sequencing the events of the story.

**Geography:** This half term we will be exploring our local area, cities and country. We really enjoyed our local area walk and noticed the different amenities within Boroughbridge. We recreated our route back in the classroom and tried to remember everywhere we visited!

**Science:** This week we named the 4 seasons and looked at which months are in each season. We will be exploring seasonal change throughout the year, with this half term focusing on Autumn.

**PSHE:** This week we have explored where we feel safe and how we can feel calm in safe spaces.

## Year 1 Important Dates:

Friday 15<sup>th</sup> October

Visit to Church

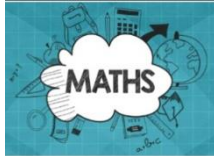

Tuesday 23<sup>rd</sup> November

Individual School  
Photographs

PE

Tuesday &  
Thursday

Please have  
PE kits in school  
all week.

We are still counting 1- 30 in Maths, so keep practising as much as possible at home. This week have been focusing on place value and one less and one more than a number.

Today your child should have taken home their homework book with their first task in. Every **Friday** there will be a homework task in their homework book to complete, which needs to be completed and returned to school every **Tuesday**. This week's focus is on maths and counting.

The spellings for each week this half term have been sent out. If you have not received a paper copy yet then please let me know if you need one.

## Reading

Reading diaries have now gone home. When you hear your child read, please sign your child's reading diary. Once I have your log ins for the new online reading library I will pass them on so you can access the books your child has read at school. Please continue to read to children and encourage them read for pleasure as much as possible with books you have at home.

## Information

Harvest festival will soon be here (date tbc). We are now collecting donations for the Harrogate Homeless Project. This could be tinned or packaged food.

You will have received an email with the acceptable use policy that needs to be signed and returned. You can send a paper copy in or reply via email.

We have had a few items of clothing without names which has caused a bit of confusion. Please can you put names on anything your child brings in, including coats and pe kits.

Have a great weekend. Miss Rowe

## Achievements

### Star/s of the Week:

Congratulations to **Edward N** for his amazing dancing in PE. He was very creative with his dance moves depicting a tree in the wind.

Congratulations to **Alanis** who has been trying really hard with her Morning Maths (arithmetic)

### Reader of the Week

Congratulations to **Bella** who has been working really hard in her reading group. I am always seeing Bella in the reading corner with her nose stuck in a book!
