

Primary School & Nursery
Making A Difference

Dear Parents/Carers,

The staff and governors would like to thank all those parents and grandparents that joined us to 'Clean for the Queen'. The outside of school looks much better and the painted and potted planters really brighten up our outdoor space. We are continuing to look for other ways to further develop our outdoor spaces; if you think you can help in any way please let us know.

We would also like to thank our parents' group FoBPS who have been really busy this term. In addition they would like to say thanks to all the families that supported us at the Easter chocolate bingo event. It was really well attended, good fun and raised over £400 towards the building of an outdoor classroom.

Opening school early is working really well with the majority of our children now starting their learning at 8:45. This means an extra 10 minutes teaching every day and throughout the year adds up to approximately an extra 32 hours of learning across the year, which has to be worthwhile! Thank you to all those parents who regularly get their children to school on time. It is really important that the children are here at the start of the school day so that they don't miss introductions to lessons or in most cases valuable reading time.

If you have not yet attended your child's parent evening, please contact your class teacher to do this as soon as possible. It is really important that we work together to make sure your child achieves the best outcomes possible.

The children have taken part in a variety of sporting activities this term and we are really proud of their achievement. Our gymnastics team has been particularly successful with the Key Stage 1 team achieving second place in the region and Key Stage 2 third place, well done.

After the Easter holidays our Friday celebration assemblies will be taking place in the afternoons so the first one will be at 2:45 on Friday the 15th of April. I hope you all have a lovely Easter holiday and we look forward to seeing you in the summer term.

Gail Lee

Headteacher
