

13th October 2017

Dear Parent/Carers,

Harrogate Town football club will be holding a training workshop at the school for Year 1 and Year 2 on 7th November at 1pm. The children will need their PE kit, trainers and a water bottle.

There is also a "Design a mascot" competition. Please see details as provided below from Harrogate Town. If your child is interested in taking part, put your design on the attached form then hand it in to the school office who will pass it onto the Harrogate Town representative when they do our KS1 workshop.

Have fun!

The Task

We would like each pupil to use the document provided to sketch and colour a newly designed mascot.

Inspiration can come from our website <http://www.harrogatetownafc.com> and other sources

Think about what Harrogate is famous for?

Maybe use our club colours and think of animals, insects or super heroes

Initially the winning design will be digitalised and made into a cartoon and it will become a main feature in the clubs community activity. The winning mascot design will be chosen by Harrogate Town's Manager Simon Weaver and a special panel (before Christmas 2017).

The winner will be presented with some signed Harrogate Town goodies and be announced before one of our home fixtures.

Yours sincerely

Mrs Jenkinson and Miss Gloag
Class teachers
