

Key Stage One News

22nd September 2017

Year One

This week we have been learning to retell, sequence and order events in the story of the Three Little Pigs in English. We have also written our own story starters. In maths we have been ordering numbers to 20, focusing on place value and correct orientation of numbers. Our phase 5 sound this week is be 'ow/ou'.

Next week we will be investigating properties for materials and their uses in Science. Creating repeating patterns in Art and learning our Three Little pigs song in Music. We aim to complete our stories and will focus on counting in twos.

To help you support your child at home please listen to your child read and practice their spellings and maths targets with them. Optional homework relating to our science topic has also been sent home this week. Look out for a green book in book bags today!

Flu Vaccinations reminder

Please visit this online form to consent electronically for your child to receive their flu vaccine in school this autumn.

<https://www.hdfn.nhs.uk/services/childhood-flu-programme/>

The vaccination is free and recommended for young children.

Dates for your diary

Each Friday afternoon of this half term "Bear" our trained Pets as therapy reading dog and his owner Sam will be returning to school to listen to children read. Bear will be based in the year 1 classroom/corridor. Children will work with "Bear" on a rota basis. Please make sure you have returned your consent forms so that your child doesn't miss out on this wonderful opportunity.

19.10.17 Afternoon – KS1 fire safety talk by the fire brigade.

20.10.17 Break up for half term

27.11.17 Flu vaccinations

*Please look out for more dates for your diary as the weeks progress.

KS1 team.

Mrs Jenkinson – KS1 leader, SENCO & Year 1 teacher

Miss Gloag – Year 2 teacher

Teaching Assistants – Mrs Caciagli, Mrs Ekin & Mrs Ward.

Year Two

This week we have been learning to write descriptions from a character's perspective. We have been trying really hard to include expanded noun phrases and questions in our writing. In Maths we have been partitioning two, three and four digit numbers and showing this through pictorial representations. We have been exploring things that are alive, dead and never been alive as part of our Science. We enjoyed hunting around the school looking for different things. Next week in Year 2 we will be looking at addition in Maths and in English we will be re-writing the full story of Harry and His Bucket Full of Dinosaurs. In Science we will be looking at food chains and we will be making our own dinosaur food chains.

To support your child at home you can practice doubles and halves of numbers up to 20.

Morning Run

Don't forget the children take part in a morning run each day and must have their trainers in school to take part.

Stars of the week

In Y1 Brooke and Thomas are our stars of the week for super story openers.

The stars of the week in Y2 are Lydia and James for fantastic efforts in the cross country

If you need to contact any of the class teachers in KS1 you can find us on the playground after school, alternatively you can send us an email ...

Year 1 Mrs Jenkinson

Celebration Assembly Reminder

This term the children will be busy electing new school councilors and deciding how they would like their celebration assemblies to run, as a result parents will be invited to celebration assemblies after half term.
