Year One

This week

This week we have been writing our own version of the story 'owl babies' using different nocturnal animals. The children have used conjunctions within their sentences and experimented with interesting sentence openers. In Maths we have been exploring numbers partially, counting in 5's & 10's and working on our number bonds. We have been working hard on our Christmas play rehearsals and we are now at the stage of adding sound and lighting! Well done with the songs and lines Year one!

Next week

Next week we aim to conclude our topic on light and dark. We also have a specialist on nocturnal animals coming into school on Wednesday morning so the children can meet a hedgehog that's ready to go into hibernation! Please talk to your child about this and try to get them to think of some questions they might want to ask.

Please keep reading, practicing spellings and maths targets with your child on a regular basis.

Year Two

This week

The Y2 children have written some truly amazing versions of 'Foggy Foggy Forest'. They have worked hard on including rhyming and questions in their writing. In Maths we have been working hard on dividing amounts by 2. We have been challenging ourselves to divide odd numbers by 2.

Next Week

In English we will be exploring the story of the nativity. We will be creating large story maps and writing character and setting descriptions. On Thursday we will be visiting Tesco and the children will have the opportunity to go behind the store and see where some of the food is produced.

Stars of the week

Y1

Thomas for using interesting sentence openers in his writing.
Aimee for her reading of split diagraphs in phonics.

Y2

Kirby, Aaron L, Lindon and Flynn for fantastic teamwork in English.

If you need to contact any of the class teachers in KS1 you can find us on the playground after school, alternatively you can send us an email ...
