

Key Stage One News

2nd February 2018

Year 1

We have been very busy in Year 1 this week. In Maths we have been challenging ourselves by adding two 2 digit numbers together. We have been doing this by using number lines but we will be moving on to partitioning method next week.

In English we have been busy writing instructions and we enjoyed following our instructions to make Jam sandwiches.

Year 2

In year 2 the children have been working so hard! In English they have explored using imperative verbs and time conjunctions to enhance their instruction texts. In Maths the children have been solving a variety of measurement problems using a range of calculations. The children have also used their creative juices this week! For of our DT project they have been making rockets. All of the rockets are starting to take shape and the finishing touches will be made next week. Just to remind everybody that it is the dance festival on Tuesday and all children need a colourful top.

Dates for your diary
