

Key Stage One News

23rd March 2018

Year 1

□ This week we have been looking at the book Handa's Surprise. The children enjoyed tasting a range of fruits. They then described how they looked and tasted. In Maths the children have been exploring fractions and in particular halves and quarters.

Next week is the Y1 parents evenings. Please bring along your questionnaire to your appointment.

Year 2

This week in Maths we have been learning about duration of time. We have ordered our daily routine and calculated durations between each event. In English we have been writing our own animal poems with some fabulous rhyming. Our Geography work is also moving from strength to strength. This week we have been researching Cape Town as a tourist attraction. We are now working on our persuasive Cape Town posters.

All of the KS1 children enjoyed a very active morning participating in our Boroughbridge Sports Relief Walk! Thank you to everybody who helped the children with their Sports Relief outfits. It has been a wonderful day!
