

## Key Stage One News

6<sup>th</sup> July 2018

### Year 1

- Year one have been creating their story maps ready to write their own version of Emma Jane's Aeroplane. In Maths we have been recapping our number bonds and we have enjoyed some outdoor Maths learning. We have also started our plastic project in preparation for the science fair and we are following a World Cup theme.

### Year 2

In year two we have been writing character and setting descriptions linked to the Storm Whale story. In Maths we have been using the column method to add and subtract two digit numbers. We have also started making our sea creatures out of recycled plastics for our plastic project.

We would like to say a huge well done to all of the children for their efforts in the Sports Day.

### Stars of the Week

#### Year 1

**Aimee** for working incredibly hard in her handwriting

#### Year 2

**Lilly** for fabulous writing

**Lydia** for great effort and resilience at Sports Day
