Year 3

Year 3 had a fantastic day at Queen Ethelburgas School on Tuesday. They took part in a variety of sporting activities in the morning then watched and performed some superb dramatic performances.

They have been carefully writing and re-editing their adventure stories this week and they have really impressed Miss Evans with their writing stamina.

Next week we will be adding the final touches to our Egyptian death masks. We will be learning how to identify equivalent fractions with different numerators and denominators.

To support your child at home please practise their weekly spellings on a daily basis and make sure that their planners are signed every time they read. All children must have a PE kit in school Monday to Friday. Thank you for your continued

support.

Year 4

Year 4 have had an interesting week! In English we investigated the life of popular poet Benjamin Zephaniah and performed some of his poems. We then adapted his poem 'Thank you' to match the pupil's experiences and performed that too! Next week we will be looking at persuasive speeches and delivering some of them. In Maths we have continued looking at decimals and practised our times tables using Times Table Rock Stars (which every pupil can access at home too!). Next week we will apply our knowledge in a practical way. It was great to see lots of you at parent's evening, I enjoyed

Dates for Your Diary

Friday 23rd March 3:30 - 5:30

Parents Evening (Year 4 only)

Friday 23rd March - Sports Relief

Come dressed as your sporting hero for a £1.00 donation and remember to bring wellies and warm clothes for our 'Big Boroughbridge Walk'!

Extreme Reading

Your challenge is to take a picture of your child reading somewhere extreme and send it in to school by Friday 23rd March. You could bring in your photo or e-mail it to admin@boroughbridge-pri.n-yorks.sch.uk

Obviously, we encourage you to keep safe (I wouldn't recommend reading in the jaws of a crocodile!) but we are really looking forward to seeing who in school has such a passion for reading that they have to do it anywhere and everywhere!

Key Stage Two News

Year 5

This week in Maths we have learnt about percentages and converted values of an amount and fractions into percentages. In English we have read 'The Green Ship' by Quintin Blake to help us assess and reflect on an imaginary story. This has helped us understand how language has been used to create images of a setting. In Science we have been creating graphs to compare data on gestation periods and life expectancy.

Next week in English we will plan, write, edit and assess our imaginary stories and in Maths we will learn about statistics and reading graphs and charts.

To support your child at home, please listen to them read as often as you can. This really supports their learning in class. It is said that if your child is a confident reader, then they will be a confident writer.

Year 6

This week I have been so impressed with Year 6s' mathematical reasoning and problem solving skills. They have learnt how to calculate missing angles in a variety of different contexts and have applied this knowledge to some really tricky problems - Well done Year 6! In English we have been exploring vocabulary and prefixes, suffixes and root words in particular. Next week we will continue our SPAG revision by looking at different tenses and how to identify them.

If you need to contact any of the class teachers in KS2 you can find us on the playground after school, alternatively you can send us an email ...

Year 3 Miss Evans

j.evans@boroughbridge-pri.n-yorks.sch.uk

Year 4 Mr Clough

j.clough@boroughbridge-pri.n-yorks.sch.uk

Year 5 Mrs Ryan

e.ryan@boroughbridge-pri.n-yorks.sch.uk

Year 6 Miss Lea

k.lea@boroughbridge-pri.n-yorks.sch.uk

Star of the Week

Yr 5 - Haydn & Jasmine - for always being kind and supportive of others.
Year 4 - William Gott for improving his hand writing and challenging himself more in Maths
