29th June 2018

Year 3

We have thoroughly enjoyed our week in the sunshine and we have used the outdoors for our learning for most days. We had an excellent time at the science fair on Tuesday where we got to experience, first hand, lots of exotic animals including skunks and Meer cats. In maths we have been exploring angles that are larger than and smaller than right angles; we had great fun drawing dancing stick men on the KS2 playground.

If you have any plastic bottles at home please could you bring them in for our upcoming science project, they will be greatly appreciated.

To support your child at home please practise their weekly spellings on a daily basis and make sure that their planners are signed every time they read. All children must have a PE kit in school Monday to Friday. Thank you for your continued support.

Year 4

Year 4 have had a great week! The class really enjoyed the trip to the Science Fair and returned with many stories about the experiments they took part in. In English, we have been learning how to write biographies.

We researched the lives of several male and female football stars which will be used at a later date. Then we looked at the features of a biography and highlighted them in three different biographical texts. Next week, we will learn how to conduct an interview and take notes, then we will start writing our own biographies. In Maths, we have started to learn about data handling and the class really enjoyed creating frequency charts about the most tasty crisps. We then put the data into a bar chart and answered questions about it. Next week, we will be learning about horizontal bar charts and line graphs.

Dates for Your Diary

02.07.18- Sports Day 13:15
School field

Please ensure that all children have a drinks bottle and a sun hat for sports day - the weather forecast is looking fantastic!

07.07.18- FOBPS Summer Fair

09.07.18- Reserve Sports Day

Year 5

Year 5 have had an extremely busy week. We have worked hard researching key information and facts for our biography write up and in maths we have been converting units of mass and time. On Tuesday we all had a great day in Doncaster at the Science Fair. We took part in many different activities and enjoyed 2 shows. Next week in English we will write up our final biography and complete some literacy work based around film. In maths we will learn to read the temperature on a thermometer and find the perimeter of shapes.

To support your child at home, encourage your child to log on to X Table Rock Stars and practise your weekly spellings as often as possible. Please remember that PE kit needs to be in school every day.

Year 6

This week Year 6 have been working so hard on their production. We have learnt new songs and dance routines and we are starting to think about how we can really use our acting skills to bring the roles to life. The homework in the coming weeks will be for children to learn their lines so that we are ready to rehearse without scripts next week!

If you need to contact any of the class teachers in KS2 you can find us on the playground after school, alternatively you can send us an email ...

Year 3 Miss Evans

j.evans@boroughbridge-pri.n-yorks.sch.uk

Year 4 Mr Clough

j.clough@boroughbridge-pri.n-yorks.sch.uk

Year 5 Mrs Ryan

e.ryan@boroughbridge-pri.n-yorks.sch.uk

Year 6 Miss Lea

k.lea@boroughbridge-pri.n-yorks.sch.uk

Star of the Week

Year 3 - Josie and Lucy for using adventurous vocabulary in their writing.

Year 4 - Haris for great bar graphs and Ruby for guided reading.

Year 5 - Alfie T for their fantastic effort in sports day practise and Lucas W for giving 100% in play practise.

Year 6 - Ceira for her determination and perserverence in gymnastics club!
Harrison for amazing effort in drama and really thinking about his character.
