Primary School & Nursery

Reception News

15th September 2016

This week

This week we have had a great time exploring the way we look and making paper plate faces that will be on display in the classroom. We have also started to think about our feelings through reading stories and will learn a new poem

On Tuesday we had a fun afternoon in forest schools collecting apples in preparation for baking next week. Some of us also collected things that interested us, like leaves and feathers, and attached them to a story stick to take home.

In maths we have been practicing counting things that cannot be moved or touched such as noises and actions (claps, jumps etc). Some more practice counting like this at home

Next Week

For the rest of the term our topic work will be exploring our senses. Next week we will start with sound and then smell, sight, touch and taste.

Phonics

The children have made a great start with their phonics concentrating on recognising letter shapes and their sounds, singing the Alphabet Rap and orally blending sounds to make words. Next week we will be recapping on sounds learned so far and new sounds **i, n, m, d**, high frequency words **is, it, in, an** and **I**.

Maths

Dates for your Diary

- Thursday 21st September
3.30-4.30 and 5.00-6.00
"Reading in Reception"
meeting
- Friday 22nd September
Jeans for Genes day.
Reading Dog in School.
- Friday 20th October
Half Term
- Friday 22nd December
Christmas

Reception Superstars

Our Superstar of the week is **Abbey Trehitt** for looking after school property by tidying up our classroom every day this week.

Eddy the Teddy would like to go home with **Isla Gardner** this week. We have noticed how hard she
