

Reception News

18th May 2018

This week

This week we have been thinking about the impending Royal Wedding. Some children have made wedding cakes out of playdough and were surprised to find out that they don't have candles 😊 The girls have been noticing differences in wedding hair styles and have had a go at designing their own wedding dresses, making bunting and flags. It was wonderful to have so many parents join us at our royal wedding party and for witnessing the "fake" marriage of our very beautiful Princess Meghan and handsome Prince Jacob (Harry). A big thank you to those who sent in cakes for us to share too. In maths the children have been introduced to symmetry and recapping one more and one less than numbers to 20. In phonics the children have been writing sentences with words ending in "ing" and "er".

Next week

Next week Mrs Wade is returning after her maternity leave and will be in Reception class on Monday and Tuesday. In phonics we will practice using our tricky words in sentences and in maths more addition and subtraction.
