

Reception News

This week

This week started with the children coming into school and getting on with a morning write. They do this by looking at a picture on the whiteboard, thinking about a sentence that starts with "I can see...", finding their book and writing as independently as possible. I have been incredibly impressed with how quickly the children have got used to this new routine.

Unfortunately Warburtons double booked us and so are looking forward to welcoming them next Wednesday instead.

What a wonderful day we've had today celebrating World Book Day. The children enjoyed sharing the books they brought in from home and we especially enjoyed looking at the story boxes. Thank you for the effort you put into those. We had a "Golidlocks" themed morning making and tasting porridge, acting out the story and making masks. In the afternoon the children enjoyed reading with some Year 6 children, went on a "Where's Wally" hunt, drank hot chocolate WITH marshmallows and still had the energy to do their first performance in parent assembly! Phew!!!

Next Week

In maths we will be investigating length and height using non-standard measure such as hands, feet or pencils.

In phonics we will continue consolidating reading words with adjacent consonants and known graphemes using fun games.
