

Reception News

8th December 2017

This week

The weeks are flying by and Reception children have fully embraced Christmas by enjoying role play in Santa's Grotto this week. A few children have been busy being Santa's elves wrapping presents, labeling and writing cards, while others have enjoyed being Santa and distributing presents.

We were also very surprised to have Topsy Turvy Theatre in school on Tuesday who performed "Christopher Nibbles Christmas". The children had a fantastic time joining in with an interactive show including singing songs and generating electricity to light the village Christmas tree to show Santa the way. Isla particularly enjoyed singing in slow motion!

Next Week

In phonics next week we will be learning our last few phase 3 digraphs **er**, **air** and **ure**. We will also recap our new blue tricky words – **was**, **you**, **are**, **her**, **all** and **they**, with cards coming home in book bags shortly.

In maths we will be looking for repeating patterns in our environment and continuing and creating our own. We will also be investigation pattern in number.
