8th September 2016

Welcome Back!

Firstly we would like to say a warm welcome back to school and how wonderful it has been to start to get to know all the children. They have all settled straight back into old routines and have been quick to learn new ones too.

We also welcome Mr B (Bullock) a student teacher into our classroom for a few months.

We have been lucky with the weather too so there has been lots of outside play and on Wednesday were very excited about finding a crop of runner beans. The children had great fun opening them and collecting the bright pink beans from inside.

Next Week

This week and next we will be observing your children to produce a baseline assessment to help us help the children with their learning. Our topic work will therefore start the following week.

We will start phonics next week concentrating on learning the letters and sounds **s,a,t,p** and high frequency words **a, at** and **as**.

We will also be encouraging some children to practice writing their name on boards when they come into the classroom in the morning. Please can you help them with this at home.
