

Reception News

This week

This week the children have enjoyed measuring themselves and other objects around the classroom. We are also practising counting back from 10 and 20 but this is really tricky for most. We do this by pretending to be a rocket counting down to blast off. I wonder if the children could show you how?

They have also worked very hard preparing for Mothers day by writing, decorating and planting in forest schools. Without giving too much away – we hope you enjoy watching your plant grow!

On Wednesday we had a wonderful morning with Michele from Warburtons who told us all about where our loaves of bread are made. Most fun was had kneading and sculpting our dough into a hedgehog and wearing the hairnets!

After a very surprising fall of snow on Thursday morning, we all dressed up in waterproofs and had a wonderful time sliding on snow and mud, swinging from the trees and building pretend fires to keep warm. Miya told me “you need to rub two sticks together to make fire”.

REMINDER: Please have a look on Facebook for photos from Reception – we hope for lots of likes!!!!

Next Week

In maths we will be looking at doubling/halving and addition. In phonics we will be writing captions to go with pictures (and vica versa) using our phonics knowledge.

9th March 2018

Dates for your Diary

- **Mon19th/Wed 21st March**
Parents Evenings
- **Thursday 29th March**
School closes
- **Monday 16th Feb**
Summer Term starts

Reception Superstars

This weeks superstar of the week is **Frankie Kemp** for writing descriptive sentences independently.

Eddy the Teddy

Eddy the Teddy would like to go home with **Miya Bailes** for her energy and enthusiasm to take part in activities and seeking challenge.
