Dear Parents/Carers,

INDIVIDUAL & FAMILY PHOTOGRAPHS

The school photographer will be in the school on **Thursday 8th November 2018**

School children should be smartly dressed in full school uniform.

To comply with the new GDPR legislation we require written consent for every child wishing to have their photograph taken.

We will not be accepting any late forms or telephoning for consent on the day.

Group photographs of siblings in school will be taken if written consent has been provided.

We can no longer take group photographs with siblings if they are not registered pupils attending this school.

Yours sincerely,

Gail Lee
Headteacher.
