Sports Premium Funding

What is Sports Premium Funding?

The premium is to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, to encourage the development of healthy, active lifestyles. This funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport, will be allocated to primary school head teachers. The funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

We received £8,750 2013-2014, £8,685 2014-2015, £8,715 2015-16, **2016-2017- £8,715**

Purpose of Funding

Schools must spend the additional funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new and additional clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sports competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools

Accountability

From September 2013, schools have had to publish details of how it spends this funding and the effect it has had on pupils' PE and sport participation and attainment.

We must include the following:

- PE and sport premium allocation for the current academic year
- details of how intend we to spend your allocation
- details of how we spent your previous academic year's allocation
- how it made a difference to the PE and sport participation and attainment of the pupils who attract the funding

Kate Gloag
 P.E. Coordinator

Pupil voice 2017:

- Year 1- "I love doing gymnastics after school."
- Year 2- "I love running."
- Year 2- "I love playing games in PE."
- Year 3- "I enjoy going to competitions."
- Year 4- "I love everything about PE. My favourite sport is football."
- Year 5- "I like being active."

How will the PE coordinator make sure the improvements for 2016/ 2017 are sustainable?

I will ensure there are opportunities for as many children as possible to access sporting competitions and events. In addition to this I ensure that every child has 2 compulsory PE sessions a week.
