

## Home School Learning

Summer Term 2, Week 6, w/c /20

Dear Parents and Carers,

I hope you've had another good week. Can't quite believe it's July already and now that more shops, pubs and hotels are open, we can start to think about life getting back to normal for the summer holidays.

This week some of the Year 4's took part in an online virtual lesson and the feedback has been good so far. If more Year 4's would like to join the last two weeks, please get in touch and we can organise for you to take part.

I hope you have another good week. Fingers crossed for some sunshine!

Dawn Osman

Year 3/4 Teacher

[BBC Bitesize Primary](#)

[Oak National Academy](#)

### **Daily Exercise**

Keep healthy and active by continuing with [Joe Wicks Daily Workout](#)

**Sporting Start.** Please find this week's challenge attached to this email.

### **Thai Chi**

Create peace and tranquillity in your home by trying 5 minutes of Thai chi every day. In this video you will imagine moving water, hugging a tree and the moon while concentrating on your breathing. Use the following link [Thai Chi for beginners](#).

### **Maths**

*Daily Maths activity - **Fluent in 5 – Week 5***

#### **White Rose Maths**

Year 3 – Measure, compare, add and subtract mass, measure capacity

Year 4 – Identify, compare, order angles, triangles and quadrilaterals.

## Friday Challenge

Last week you learned how to tell the time using “past and to” the hour. Watch the following link [telling the time to 5-minute intervals](#) and then practice what you’ve learned by using a watch or clock in your house throughout the day.

## Times Tables

Try this [8 times table trick](#) to help you remember.

Keep using Times Tables Rockstar’s too.

## English

Please continue to pick a photo from Pobble 365 and either use the story starter or related comprehension and SPAG activities.

### **SPAG (Spelling Punctuation Grammar)**

*Spellings* – Keep practicing your spellings on a daily basis using the “Look, Say, Cover” approach and try out your knowledge with a test at the end of the week.

This week you are learning words from the Year 3/4 statutory spelling list. Attached is an activity sheet with a link for some games to play online.

## Topic

### Science – Classification Keys

Hopefully you managed to find the time to go on a wildlife hunt in or around your garden. If not, I have attached some worksheets to help you record your findings. It’s your turn now to classify the animals you’ve found. You will need to think of questions yourself such as “Does it have wings?” – yes/no, “Does it have fur?” – yes/no and so on.

I have also attached a fun activity where you have to identify the names of the aliens based on their features.

### DT – Make a pop-up story book

Have a go at writing a story about anything you want to. You could use Pobble 365 for ideas or just think of your own. Will your story be funny, scary, fantasy, or include adventure? Think about the characters, the setting and the plot - make sure your story has a beginning, middle and an end. Then follow this link to [Make a pop-up story book tutorial](#). Think about representing all parts of your story with pop up figures or structures. Have fun with it!

## Reading

### *Reading Comprehension*

**The Chase** is a about a world turned upside down. Once a year humans are rounded up by robot horses. Many of them released back into the wild, the rest used as engineers or performers in the city. Complete the comprehension questions and think about what else might be different in this robot world.

### *Home Reading – The Ickabog*

This week we read **Chapter 4 and 5** and found out how King Fred the Fearless felt guilty about the shortcomings of the Dovetail family and ordered them to move to a smaller house further from the castle so that he didn't have to see them every time he went hunting. We found out about Daisy's new house, its location near the graveyard where her mother was buried. This week in school the children researched what her new house might look like and drew a picture including the unusual looking Yew tree.

You can find the story online by using this link [The Ickabog by J K Rowling.](#)

### *Rising Stars*

Please also continue to access books and quizzes online at Rising Stars.
