

Dear Nursery children.

This week commencing 22<sup>nd</sup> June we will be thinking about how fire fighters help us. What do you think? Like the nurse and postie do you think they need to wear special clothes and equipment to do their job?

You could

1. Watch BBC bitesize about Izzy the Fire fighter at .  
<https://www.bbc.co.uk/bitesize/articles/z6n3mfr>. Or Let's Play Fire fighters at  
[https://www.youtube.com/watch?v=28yn\\_3BEraM](https://www.youtube.com/watch?v=28yn_3BEraM).

Can you remember what they need to put on?

2. Listen to a Day in the Life of a Firefighter on Evidence me.
3. Draw or paint a Fire Engine.

4. Take a walk to the Fire Station to see if you can see the Fire Engine.

5. Draw a map of how to get to the Fire Station from your house.

How long does it take you?

6. You could learn the song London's Burning and tap your sticks or some spoons to it. <https://www.youtube.com/watch?v=9RkX8WG6HS0>. Or dance along to Bounce Patrol at [https://www.youtube.com/watch?v=28yn\\_3BEraM](https://www.youtube.com/watch?v=28yn_3BEraM)

7. These flowers are called Red Hot Pokers. Why do you think they are called that? Can you paint them. Have you got any in your garden?

fields of fire lyrics

8. Listen to Fields of Fire by Big Country and tap or clap along. Can you work out what instruments they are playing? If you listen to the words you can hear them say FIRE. How many times do they say it in the song?

Don't forget to practise your name writing and watch Numberblocks - that's if you can find time!

Looking forward to seeing you soon.

From

Mrs Scott, Mrs Lapthorne and Mrs Charlton
