

Dear Nursery children.

This week commencing 29th June we will be learning about where animals go when they need help. Do you know? Some of you were lucky enough to star on the Yorkshire Vet when Betty was poorly. You can re-watch the episode at <https://www.my5.tv/the-yorkshire-vet/season-8/episode-10>.

Sometimes vets can make animals better. Sometimes they are just too poorly.

CAUTION - PLEASE CHOOSE WHETHER TO TELL THE CHILDREN THIS NEXT BIT

*Since February Mrs Scott has been visiting the vets a lot because Babs has been very poorly. She was very old and had poorly skin. The vets gave her lots of cream and medicine but they couldn't make her better. She fell asleep and has now gone to guinea pig heaven. We have buried her in the garden at school and when we all come back we will have a special assembly for her and say some poems and sing some songs.*

*She had a very nice life and she was very lucky to live at Boroughbridge Primary School. Her daughter Betty is very sad too, but Bramble and Rosie have been looking after her at my house and she has a new friend called Nibs. She has been coming in to see the key-worker children and they have been very kind to her.*

*Do you think you could make a card for the vet to say thank you for looking after Babs?*

*You could also decorate a stone for her that we can put in the garden so we can remember where she is buried.*

*:You could also:-*

- 1. Listen to the story of Mog and the V E T (on Evidence Me or read your own copy if you have it at home).*
- 2. Listen to the story of Six Dinner Sid and learn what happened when he went to the vet. <https://www.youtube.com/watch?v=JauYJu5X7M>. Do you think he was happy?*
- 3. Visit Thorpe Perrow and see the animals there. Do you think they have a vet? Could you ask someone who looks after the animals.*
- 4. You could make up a song about vets to the tune of Old Macdonald. It could go like this.....*

*Good old Julian worked so hard, caring for the pets  
And then one day he helped a dog, who came to the vets  
With a "woof woof here and a woof woof there"  
"Here a woof, there a woof, everywhere a woof, woof  
Good old Julian worked so hard, caring for the pets.*

*We could send him a copy. I am sure he will like it.*

*Don't forget to practise your name writing and watch Numberblocks - that's if you can find time!*

*Also, if you would like a picture of you with all your nursery friends, please do not forget to send in one or let me know if we can use one we already have.*

*We were looking forward to seeing some of you this week but it looks like it could be raining. If it is, we will use the alternate dates on the letters. Copies are on the website.*

*Looking forward to seeing you soon.*

*From*

*Mrs Scott, Mrs Lapthorne and Mrs Charlton*
