

Nursery News

19th January 2018

This Week

This week we have been reading the 'Very Helpful Hedgehog'. We have been finding out how we can help hedgehogs in the wild.

We have begun phase 2 phonics and have looked at the sound 's'. Your child has brought home a jolly phonics sound sheet to share with you.

Well Done to all our new starters who have happily settled into nursery this week.

Stars of the Week

This week our star is Jake for joining in during carpet sessions.
Well done

Next Week

Next week during forest school we will build a safe shelter for hedgehogs and continue with our hedgehog wall display.

We will continue with phonics and we will be learning the sound 'a'.

In number we will be comparing objects in 2 sets and deciding if the amounts are the same.

Dates for your Diary

Friday 26th January Tesco visit to EYFS

Friday 9th February Break up for half term

Reminders

- The staff caring for and educating your children are Mrs Potter, Mrs Maltby, Mrs Charlton and Mrs Wall.
- Please make sure your child has wellies and a waterproof coat in nursery at all times. (no crocs or laces if possible)
- If you are likely to be late picking up or someone else is picking up your child please phone and let us know.
