Primary School & Nursery

## Nursery News

23rd February 2018

### This Week

We have had a good week in nursery. Children have settled well back into nursery routines after a week off. We have enjoyed the story 'Detective Dog' and have found the things she gets up to interesting and it has made us want to visit a library which the adults are trying to arrange. We have made dog treats and hope family or friend's dogs have enjoyed them. It has been nice to see the sun shining and it has encouraged more children to use the outside area including playing on the new climbing frame.

### Stars of the Week

This week our star is Sadie for her happy return to nursery after the half term break.

### Dates for your Diary

1<sup>st</sup> March World Book Day  
29<sup>th</sup> March - Break up for Easter

### Next Week

It is World Book Day on Thursday and everyone can come to school wearing their pyjamas. Nursery will be joining with Reception class to experience different activities throughout the day. Throughout the week it would be fabulous if children could bring a special/favourite book to nursery. We will keep them safe in a special place and share them with the children throughout the week.

### Please Note

Just a reminder to parents to send pictures of children's WOW moments to 2 Simple so experiences at home can be included.

### Reminders

- The staff caring for and educating your children are Mrs Potter, Mrs Maltby, Mrs Charlton and Mrs Wall.
- Please make sure your child has wellies and a waterproof coat in nursery at all times. (no crocs or laces if possible)
- If you are likely to be late picking up or someone else is picking up your child please phone and let us know.
