Nursery News

15th September 2017

This Week

We have all settled in brilliantly and have said hello to all our new starters.

We have painted self-portraits and collected apples from the orchard. We have used our apples to count, compare size and make an apple crumble.

Next Week

We will be continuing to settle in. We are talking about our families and where we live. If you haven't already done so, please bring in a photograph of your family and if you would like, your home so we can make a display.

We will continue to explore our local area and talk about Boroughbridge.
