Primary School & Nursery

Nursery News

26th January 2018

This Week

This week we have been reading the 'Wide Awake Hedgehog'. We have been looking for signs of hedgehogs in forest schools and collected resources to build a safe environment for them. During phase 2 phonics we have looked at the sound 'a'. Your child has brought home a jolly phonics sound sheet to share with you.

Next Week

Next week during forest school we will build a safe shelter for hedgehogs after collecting our resources this week.

We have created a sound table and if you find any objects that begin with 'a' you are welcome to bring them in to share with us.

We will continue to compare objects in 2 sets and begin to share.

Reminders

- The staff caring for and educating your children are Mrs Potter, Mrs Maltby, Mrs Charlton and Mrs Wall.
- Please make sure your child has wellies and a waterproof coat in nursery at all times. (no crocs or laces if possible)
- If you are likely to be late picking up or someone else is picking up your child please phone and let us know.

Stars of the Week

This week our star is Flissy for her curiosity in forest schools and showing her caring nature.

Dates for your Diary

Friday 9th February Break up for half term

Please Note

If you have given your child Calpol/Nurofen before nursery please stop and think if they are well enough to attend nursery. It would also be helpful if nursery staff are made aware when you have administered any medication.
