FEAST Activity Finder

Offline Version

Please note: As we work with individual activity providers across the county, ALL details are subject to change. Please check directly with providers for the most up-to-date information.

Booking onto FEAST activities using HolidayActivities

Most bookings for FEAST are made on HolidayActivities, a website where you can see all the activities on offer, book your place, provide more information about your requirements, and manage/cancel bookings as required.

To log into HolidayActivities, go to app.holidayactivities.com and either log in (using the email or social account you've used before) or sign up.

You will then be asked for your 16-digit voucher number, which will have been provided to you by email or text from HolidayActivities (or, in some limited circumstances, another way by your school or North Yorkshire Together etc.)

If you follow the link in the email or text you received for this holiday period's voucher, you will not need to manually input your voucher number.

Booking onto FEAST without using the internet

If you're eligible for FEAST and want to book onto activities without using the internet, follow the steps below:

1. Contact the activity provider you'd like to book with – you can find their contact details in this document.
2. If they have space, book your place by giving them your 16-digit FEAST voucher, and some more information about the child/young person. It's that easy!

Activities are not available to be booked until June 17th 2024

If you don't have your FEAST voucher, follow the guidance below.

Booking onto FEAST without your voucher

If you're eligible for FEAST and want to book onto activities but don't currently have your voucher, follow the steps below:

Note: If you've already claimed this holiday period's voucher, you can find it by logging in (using the email address or social log in you previously used) at app.holidayactivities.com

1. Contact the activity provider you'd like to book with – you can find their contact details in this document.
2. If they have space, tell them that you are eligible but do not have your voucher yet. They should accept your booking.
3. Try searching your email and texts for 'HolidayActivities', or putting your email in at app.holidayactivities.com – you might be able to find your voucher this way.
4. If this doesn't work, ask your school for the voucher code.

If it's the school holiday, or your child doesn't go to school, contact North Yorkshire Together on hello@northyorkshiretogether.co.uk or 01845 980 141. Please note our team works part time and on weekdays only!

5. Contact the provider to give them your 16-digit voucher number to complete your booking

Dates: Get in touch with SELFA for more information about their activities across the district

Times: 9.00am – 5.00pm

Venue: Skipton / Settle / Bentham

Venue address: Various – Please Contact SELFA

Description

PLEASE NOTE: Your child must have a referral to SELFA to access these sessions. Parents/carers of children referred to SELFA will receive an email with information on how to book a place.

For this project we will offer all children and young people referred to SELFA a minimum of 4-8 hours of holiday activities each week. The children and young people will have the opportunity to take part in a varied range of activities to suit their needs and interests. Sessions will be planned and lead by our Children & Young People's Workers, supported by Activity Workers.

We plan to deliver the project at our base at Ings Primary School as this will be a comfortable environment for the children and young people that they are already familiar with. Additional sessions will be delivered at venues in Settle and Bentham for those living in North Craven. Some sessions will take the form of trips out - in the past we've visited Thornton Hall Farm, been trampolining, bowling and to the cinema and gone to the seaside.

Dates: 30th July – 3rd August

Times: 9.00am – 1.00pm

Venue: Rural Arts

Venue address: The Courthouse, 4 Westgate, Thirsk, YO7 1QS

Description

Artists Claire Ford and Jane Wilson will be leading and collaborating with you on the Art Camp over 5 days. This is an exciting chance for you to explore 4 different art forms from ceramics, textiles, fine art and print. The theme for the week is based around kindness and care. We will be taking inspiration from well-known artists with this underlying theme. On the final day, an exhibition will be created and presented within the waiting area of Thirsk Doctors Surgery for family and friends to see the work that was created during the Art Camp. It will then be on display in the waiting area for 3 months, promoting what young people can achieve but also to brighten up the space and empower those visiting the Doctors.

Venue: Rural Arts

Venue address: The Old Courthouse, 4 Westgate, Thirsk, YO7 1QS

Description

Join Thunk-It Theatre and the Rural Arts creative team for an exciting Play-in-a-Week project! If you love performing, getting creative, and having loads of fun - this is for you. Two groups will work with industry professionals to create a performance in just five days.

One group of 'actors' will be staging our show, getting to know our characters, and learning our lines. Another group of 'creatives' will be working in parallel, learning all about the behind-the-scenes, creating sets and costumes, deciding on lighting and sound.

The two groups will work together across every aspect of making a wonderful performance to share with friends and family at the end of the week. This project is a great opportunity for any creative young person to learn more about the magic of theatre!

Alongside the free FEAST-funded spaces are available for eligible children, non-eligible children can also join us for the week for £125. All children will be provided with free breakfast, lunch and snacks.

Thurs 15th August – Wild Art and Music – 10am – 2.30pm

Fri 16th August – Play-in-a-day with Thunk It Theatre – 10am – 2.30pm

Tues 20th August – Archery and Wild Cooking – 10am – 2.30pm

Venue: Baldersby Park

Venue address: Park Road, Topcliffe, Thirsk, YO7 3BZ

Description

No day is the same at Base Camp. Your adventure could start with getting your hands dirty as you investigate the power of soil and do your bit for mud by creating a mini composter. All that before finding your inner Robin Hood as you shoot real arrows at real targets under the watchful supervision of Thirsk Bowmen. Alternatively, you could find yourself with tree branches, paracords, tarpaulins and some team mates with the challenge to make a den fit for a dragon right after creating a fire and preparing ingredients, ready to cook tasty treats, over flames.

23rd August 2024. 10am-3pm Hell Wath Football Pitches (HG4 2SE)

Description

Five days, 19th-23rd August, of free activities for children and young people, aimed mainly at 11-18 year olds but younger children welcome if accompanied by an adult. Mostly outdoor, active events but we've added some crafts and more mindful projects to try to be inclusive. Working with local groups and sports clubs with experienced and qualified coaches.

This year we're planning on good weather and are providing activities for five full days, with free food and drinks for 200 on all days if possible, a total of 1000. We will be using Studley Royal Cricket Club, Ripon Spa Park and Hell Wath football pitches.

We have had help and support from several local organisations including Studley Royal Cricket Club, Ripon Runners, YMCA, HADCA, Inspire Youth, JD Football Academy, NYC, RCC, Sun Parlour Café, Ripon Croquet Club, Ripon Grammar School, Syrian Street Food, Squid & Tonic, we'll be working with these again and hope to add a few more. We've had donations from Morrisons, Booths, Sainsburys, M&S and funding from North Yorkshire Councillors, The Jepson Trust and The Ripon Girl's Fund.

Wednesday 21st August 2024 will be based around Spa Park, we are working with YMCA and Inspire Youth to provide a day of mixed events, some active, some mindful also including a circus skills and hopefully a tennis coach. We will have a covered area, either inside or a tent, we will be providing food and snacks, and will be catering for 200 young people.

MAP Adventures have provided activities for us for the last couple of years, They will be with us on Thursday 22nd August and hopefully another day tbc. (Home - Map Adventures)

Sporting Influence Foundation Camp – Active Summer

Event organiser: Sporting Influence Foundation

Suitable for ages: 9 – 12 years

SEND specialist: No

SEND inclusive: No

Dates: 1st and 2nd August, 8th and 9th August, 22nd and 23rd August

Times: 8.30am – 4.00pm

Venue: Ashville College

Venue address: Green Lane, Harrogate, North Yorkshire, HG2 9JP

Description

The aim of the Active Summer project is to increase participation rates in sport of children and young people aged 9-12 who are living in challenging circumstances. The SI Foundation takes responsibility to make positive steps forward in supporting young people through working on their social skills, to:

- build their confidence · increase their determination · improve their communication skills · develop their teamwork · display kindness

The Active Summer project will take place during the Summer school holidays and looks to identify children and young people who have experienced challenging circumstances and provide them with a full day of sporting activities alongside nutritional support and guidance regarding healthy eating and diets.

The active summer holiday camp project provides a variety of inclusive sports activities which focus on building social skills rather than competition. The camp helps to build support strategies/communication with parents through the use of an 'all about me' which helps parents and camp identify where children may have a need and ways to support this; additionally, there will be an Inclusion Leader/safeguarding officer on site each day.

The day is set up like a school day to promote consistency between school and camp, moreover, students have choice with the activities that they do that day. We believe that it is important to provide safe ways for children and young people with additional needs to be calm and relaxed, chill out time will be made available at times through the day for children to relax and socialise in a safe and fun environment.

Dates: Friday afternoons during the Summer holidays

Times: 4.30pm – 6.30pm

Venue: The Barn, Tadcaster

Venue address: The Barn, St Joseph's Street, Tadcaster, LS24 9HA

Description

AMP: SAMPLER is an evening of activities for young people 11-16years to explore music and creating in different ways at The Barn, Tadcaster.

This will be a carousel of activities for small groups of young people to engage with, as well as some built in free time for them to explore and choose what they have enjoyed the most. This is an extension of our easter provision. Activities may include:

TRACKS– Make beats, try out song-writing or create a band playing live instruments and singing with the TRACKS team. (Find out more about TRACKS here: Mentoring Programme | Sheffield Music School) What is beat-making? (It's making backing tracks that you might hear in rap, grime, garage, dance or electronic music).

PODCAST/RADIO- ever wanted to be a radio presenter or make your own podcast? You will get the chance to have a go on some equipment and start making your own radio show or podcast. What would you want your radio show to be about?

TSHIRT DESIGN/ZINE MAKING – Design your own t-shirt to take home or make a zine – be inspired by alt-indie-punk culture. What's a zine? (It's kind of like a DIY magazine, only mini version!)

COOKING

SKATING/PING PONG/FOOTBALL

Open to all levels of experience – come and have a go!

Participants will also have access to their outside area as well as table football and indoor games in bad weather.

****Important**** – If the young person you are signing up has any additional needs, we will need to speak to you directly to make sure we have suitable provision in place. We need to make sure that we talk to you in plenty of time to ensure that we can do this, so please bear this in mind when signing up and look out from contact from the AMP team.

Times: 10.00am – 3.00pm

Venue: Regen Centre

Venue address: Landing Ln, Riccall, York, YO19 6PW

Description

Play In A Week and Musical in a week is a week-long fully inclusive project, which enables children and young people to enjoy the magic and benefits of participating in a theatre show and putting on public performances.

Starting on a Monday morning enthusiastic and talented participants, along with a team of specialist professionals start work. The theme for this years Play in a week is Dungeons and Dragons, and our Musical in a week is a brand new comedy horror called The Phantasmagoria.

The actors work hard everyday throughout the week to rehearse, learning lines, songs and dance routines from scratch. There are no "limitations" on who can be an actor at Play In A Week. Everyone is welcome regardless of (dis)ability, cultural or educational background. All we require is that you come along with enthusiasm, energy and team spirit, and are able to attend every day in order to learn their parts and be an equal part of the Company.

Our Director then manages and drives the week's rehearsals; inspiring cast, crew and volunteers to stretch themselves, achieve personal goals, and form a cohesive and supportive team having lots of fun!

The Choreographer designs and teaches both dance and movement routines, and helps to direct physical movement around the stage.

The Musical Director composes, writes and teaches the company songs. They also a sound effects wizard who provides "mood" music to order and well as whatever other noises, bangs, crashes, and bizzare sounds the Director decides to throw into every scene of the show! But sometimes they need help, so if you want to be involved but you're not sure about going on stage, you can learn to be a sound wizard!

Description

PLEASE NOTE THESE ARE REFERRAL ONLY SESSIONS. Please contact Jody@northyorkshiresport.co.uk to discuss a referral.

This project will support young people at risk through the holidays. Some may have been involved previously in our Stepping Up mentoring provision and others referred in through partners we are working closely with. The provision will provide secondary age pupils the opportunity to engage with Athlete mentors in a safe space within their local community. They will engage in taster sessions in different activities such as the gym, kick boxing, yoga, table tennis etc and be provided with a safe space to engage with other like-minded peers. The project will be delivered by Athlete Mentors who have been engaging with some young people through school / mentoring provision so provide a trusted adult for young people within their community and also increase uptake from secondary pupils who are typically harder to engage.

Wed 21st Aug 9.00am – 1.00pm

Venue: The Old Girls School

Venue address: 18 Kirkgate, Sherburn in Elmet, Leeds LS25 6BL

Description

TechyTots provides a diverse range of activities with a primary focus on introducing children to the critical skill of coding and other STEAM (Science, Technology, Engineering, Arts, and Mathematics) activities. Our program has been designed to cater to children from reception to year 6, promoting collaborative work, teamwork, creative thinking and featuring a variety of engaging tasks. We understand the importance of hands-on learning that employee activities that are fun, interactive, and safe for children of all ages. To ensure this, we utilise a variety of supporting materials, such as robots, interactive technologies, and tablets, all of which operate offline in accordance with our safeguarding principles. We prioritise learning through hands-on physical play.

Our daily schedule at TechyTots encompasses a variety of hands-on STEAM and coding sessions, tailored to maximise engagement and learning across the ability and diversity spectrum.

The session, we will generally focus on coding and engineering activities, which will provide children with valuable technology and maths skills. Each week, we will design activities centred around a different theme to maximise engagement and motivation. These activities will allow the young people to explore coding concepts, algorithms, debugging, and other specific topics. We will incorporate games and appealing activities that link STEM to the theme, encouraging children to build bridges and tunnels for robots to navigate. Materials such as LEGO, Mega Blocks, and building straws, will be utilised to enhance hands-on learning experiences.

Activities are not available to be booked until June 17th 2024

Additionally, we introduce art and craft activities that enhance and support the STEM work. These sessions will offer a range of activities suitable across the ability and diversity spectrum, including colouring, painting, sticking, and crafting. This provides children with an opportunity to further express their creativity while reinforcing theme-based learning. Weather permitting, we will also conduct one-hour outdoor activities that encompass various elements such as dance, skipping, team-building exercises, playground games, yoga, and sports. Some days will include two 30-minute slots for physical activities, while others will feature a single 60-minute session. These activities promote physical fitness, social interaction, and teamwork.

To recognize and celebrate the learning achievements of the children, we will award them with certificates at the end of each topic.

Promoting a healthy lifestyle is integral to our program. We will incorporate a healthy eating theme into our activities, such as using coding skills to manoeuvre robots and collect healthy food. Also, during arts and crafts sessions, we will create "eat the rainbow" collages and other activities. During lunchtime, we will encourage discussions about healthy eating and lifestyles, emphasising the importance of maintaining overall well-being.

Venue: Regen Centre / Selby Leisure Centre

Venue address:

Selby Leisure Centre, Scott Rd, Selby, YO8 4BL

Regen Centre, Landing Lane, Riccall, York, YO19 6PW

Description

The York RLFC Foundation regularly host busy school holiday programmes for children across the York & Selby districts. The aim is not only to inspire the next generation of Knights & Valkyrie rugby players but also to play a vital role in helping make holidays more enjoyable. Our plan is to deliver a series of our popular multi-sports sessions in Selby open for children aged 5-13 years.

We have successfully been running similar camps in the Selby District for the past few years thanks to previous HAF funding awarded to us. The sessions listed above offer both boys and girls the opportunity to engage in a range of sports and activities. This will be supplemented by a range of fun, educational-themed activities to assist with the understanding of how to lead a healthy lifestyle with nutritional handouts available. Please note advanced booking is essential! For more information please visit our website below or get in touch using the contact details below.

Times: 9.00am – 4.30pm

Venue: Riccall Primary School

Venue address: Riccall CP School, Coppergate, Riccall, York, YO19 6PF

Description

During the holidays we want to continue the fun and excitement and offer days that give children lots to talk about when they get home. It is important that parents and carers get the reassurance that their children are not missing out whilst they are not with them, and that they are in a safe and caring environment.

Our resources include pool and football tables, a large collection of Lego, Board Games, Den Building equipment, Bats and balls, Craft materials, hex bugs, iPad, dressing up, go carts and scooters and much more. We always welcome suggestions of favourite things to play with, and continue to extend our offering. We also make great use of the outdoors, having the use of the school grounds, and use of the school pool during the summer holidays, but also plan trips out in the village or to the park. FEAST places are available to all Primary School aged children (including SEND children, however these specialist places are limited, so please get in touch before booking SEND places to arrange your stay and play sessions to assess levels of support required, and we can arrange sessions with you).
