

## **Provision Map**

## **Cognition and Learning**

(Wave 1) Universal provision. High Quality Teaching for All	(Wave 2) Targeted- Differentiation and	(Wave 3) Specialist provision- Interventions
	adaptation	
· First quality teaching with multisensory curriculum	<ul> <li>Short-term targeted and measurable</li> </ul>	· Specialist support from SENCo for pupils needing highly differentiated
<ul> <li>Learning taught in bite size chunks to reduce cognitive load</li> </ul>	support to accelerate key points of learning	individualised support through outside agency involvement.
and sustain attention.	for core subjects including GPC's, blending,	<ul> <li>Adapted curriculum based on the child's developmental age.</li> </ul>
<ul> <li>In-class support from teaching team and peers balanced with</li> </ul>	catch-up, athematic, additional reads,	· Pre-key stage assessment programme to measure small step progress
promoting independence.	handwriting, timetables.	·Option available for uncoupled year group for children not able to
· Learning walls, with clear fonts, uncluttered and natural	· Pre-teaching in preparation for whole class	access chronological group emotionally or academically through the
background.	sessions to meet new concepts/text. Mop up	support of the Local Authority, Headteacher and SENCo.
· Collaborative word banks to encourage independent writing	sessions to follow learning that has taken	· Personalised ILPP targets to support learning and areas of need which
and modelled best practice.	place in the moment.	are collaborated with shared responsibility- parents, teacher & SENCo.
· Extra time for processing, allowing more time to respond to	<ul> <li>Misconceptions addressed before moving</li> </ul>	<ul> <li>Individual arrangements for SATs.</li> </ul>
answers and time to talk through ideas before responding (Talk	on and identified.	· Additional support for pupil to attend transition days- extra session/
partners).	· Learning objectives/unit covers will be pre-	pre-visits.
· A range of resources available including dictionaries, practical	printed to enable children to focus on the	<ul> <li>Use of personal Visual Timetable- Now/ Next and Now/Next/Then</li> </ul>
equipment and technology such as recordable buttons and	learning task.	board or task boards.
tactile recourses.	· Small group work developing cognition and	<ul> <li>Longer sessions for parents evening and transition meetings.</li> </ul>
$\cdot$ Increased visual aids / modelling etc. Including handouts to	learning.	· Red, Yellow, Green activity trays for adaptive work with Wiget images.
make texts more accessible to the children when needed and	<ul> <li>Small group work that provides</li> </ul>	<ul> <li>Activities/learning tailored to EHCP outcomes.</li> </ul>
use of IWB.	opportunities to practise and consolidate	· Personalised sensory circuits.
$\cdot$ Word, letter formation and Little Wandle phonic mats to aid	maths/literacy concepts learnt in class.	· My Support Plans drafted with parents and pupil involvement and
recall the writing process.	<ul> <li>Use of peer buddies to support</li> </ul>	implemented throughout home and school.
<ul> <li>Flexible timetable for brain/movement breaks both</li> </ul>	understanding of task and instructions.	· Child placed in lead teachers' group for school trips.
outdoor/indoor.	<ul> <li>Daily individual reading with teacher/TA or</li> </ul>	Additional breaks to support regulation and reduce cognitive overload.
<ul> <li>Class visual timetable highlighting now/next.</li> </ul>	guided reading session with fidelity to Little	· Assisted technology.
· Flexible seating plan taking into consideration classroom traffic,	Wandle Phonic Scheme.	· Flexible timetable
level of noise, facing window/corridor to minimise distraction &	<ul> <li>1-1 or small group precision teaching.</li> </ul>	· Soft start/ end today includes special interest or special job.
disturbance.	· Ear defenders, chair bands, fidgets, sensory	· Access to individual workstation.
$\cdot$ Work on different colour paper/books to reduce visual stress.	toys, wobble cushions and seat wedge.	· Application for EHCAR or referral to outside agencies involvement.
<ul> <li>Implementation of sound buttons, sentence stacking and</li> </ul>	· Access to shared interaction intervention.	
recordable whiteboards to encourage independent learning.
